

RISHIRAM KHAREL

Supply Chain & Logistics Operations · Inventory & ERP/WMS · Data Analysis with Power BI
Mülheim an der Ruhr, Germany | +49 176 24859785 | Rishikharel1995@gmail.com | linkedin.com/in/rishikharel

PROFILE

Supply chain and logistics professional with hands-on experience coordinating goods flow between suppliers, warehouses, carriers and B2B customers. Currently Business Operations Coordinator at Ramro Imports B.V., managing sourcing from Nepal, international shipping and European order fulfilment; previously 3.5 years of warehouse operations in ZeyOS ERP/WMS at Ballsportdirekt.de, including team leadership, and high-volume fulfilment at Amazon. Builds data-driven reporting in Excel and Power BI (DAX), with SAP S/4HANA training in Sourcing & Procurement and SAP MM. Fluent English, German B2.

SKILLS

- **Supply Chain & Logistics:** Supplier and carrier coordination, international shipping, trade documents, B2B order fulfilment
- **Inventory & Warehouse:** Goods receipt, stock movements, cycle counts, discrepancy resolution in ERP/WMS, team leadership
- **Data & Analysis:** Power BI data modelling and DAX, Power Query, Excel forecasting, KPI reporting, process improvement
- **Tools & Platforms:** SAP S/4HANA, SAP MM, SAP Ariba, ERP/WMS (ZeyOS), Microsoft Excel, Power BI & DAX, SPSS, HubSpot, Google Workspace

PROFESSIONAL EXPERIENCE

Business Operations Coordinator

Jan 2025 – Present

Ramro Imports B.V. — The Hague, Netherlands (Remote)

- Coordinate international shipping from Nepal to the Netherlands with logistics partners, including shipping and trade documents; track shipments and resolve delivery and prioritisation issues.
- Manage B2B order coordination, aligning customer requirements with product availability and fulfilment across European markets.
- Monitor inventory needs and coordinate across procurement, shipping and distribution to maintain consistent product availability.
- Coordinate procurement and supplier relationships with producers in Nepal (Fairtrade, textile, craft and hemp products) for B2B customers across the Netherlands and Europe – aligning prices, quantities, quality and delivery dates.
- Analyse purchasing, inventory and order data to identify inefficiencies, and develop and implement practical process improvements (Excel, Power BI).

Logistics & Warehouse Operations (Working Student)

Jul 2021 – Dec 2024

11teamsports Group / Ballsportdirekt.de — Kamp-Lintfort, Germany

- Processed stock movements, goods receipts and invoice-related transactions in ZeyOS ERP/WMS, keeping inventory data accurate.
- Inspected and verified incoming deliveries for quantity, quality and documentation accuracy, resolving discrepancies before goods-receipt posting.
- Prepared outbound shipments via DHL Business Customer Portal, BITFLOW and Codematic.
- Conducted regular cycle counts and stocktaking to maintain inventory accuracy, analysing and resolving discrepancies.
- Organised, stored and replenished goods per warehouse procedures, supporting efficient product flow and order fulfilment.
- Collaborated with Procurement and Operations teams to maintain inventory availability and smooth operational workflows.
- Took on team leadership responsibilities, including onboarding, training, development and performance evaluation.

Fulfilment & Sortation Associate

Aug 2019 – Dec 2019 / Oct 2020 – Jun 2021

Amazon — Rheinberg & Krefeld, Germany

- Supported high-volume inbound/outbound logistics, sortation and shipment processing in fast-paced fulfilment centres.
- Maintained inventory accuracy through goods receipt, barcode scanning and systematic storage in the WMS.
- Verified product quality and order accuracy to support timely, accurate order fulfilment.

Chief Marketing Officer

Feb 2018 – Sep 2018

Himalaya Dromel Pvt. Ltd. — Kathmandu, Nepal

- Developed and implemented marketing strategies to build brand awareness for an organic honey brand.
- Conducted market and competitor research to identify customer needs and business opportunities.
